🌸Vision Note: Brahma Chakra

The Dharmic Foursquare: A Geo-Centric Social Layer for Cyclical Communities

---

1. Spiritual Foundation

- **Chakra** (wheel/circle) is the symbol of cyclical life in Sanatan Dharma.
- Inspirations:
- *Kāl-Chakra* (yuga/time cycles).
- *Rāshi-Chakra* (astrological circle).
- *Parikrama & Mandala* (community harmony through circularity).
- *Sudarshan Chakra* (protection and order).

Brahma Chakra = Turning dharmic cycles into living, breathing digital communities rooted in sacred locations.

---

2. Core Proposition

The first geo-social platform where your physical presence in dharmic spaces unlocks digital community, meaning, and rewards.

- 🏡**Micro-Communities** → local mandirs, satsangs, yatris.
- 🪁**Macro-Communities** → global pilgrim networks, diaspora hubs.

---

3. Functional Pillars

🪻 Cyclical Framework

- Each community operates in time-bound cycles:
- *Arambh* (initiation/sankalpa).
- *Seva* (contribution: knowledge, resources, protection, outreach).
- *Phal* (reward & recognition).
- *Visraam* (pause & renewal).

🦞 Karma Coin Flow

- Circular economy through 4 symbolic coins:
- **Saraswati** (knowledge seva).
- **Lakshmi** (resource seva).
- **Kali** (discipline/protection seva).
- **Narad** (communication seva).

• Coins = markers of intent & energy, not just money.
